SIH 2025 GRAND FINALIST || BTech CSE Student at SVIST'24 ||  
Aspiring Software Engineer || Tech Enthusiast || Passionate Problem  
Solver

Kolkata, West Bengal, India

## Summary

BTech CSE Student | Aspiring Software Engineer | Tech Enthusiast

I'm a second -year BTech Computer Science and Engineering student at Swami Vivekananda Institute of Science and Technology, passionate about programming, algorithms, and the latest tech trends.

### # What drives me?

Solving complex problems  
Competing in coding challenges  
Exploring emerging technologies  
I actively participate in coding competitions and technical workshops to sharpen my skills and embrace teamwork. My goal is to apply my knowledge to real-world projects and internships, gaining hands-on experience in software development and innovation.

### Let's connect!

I'm excited to collaborate with like-minded professionals and contribute to impactful projects that shape the future of technology.
